On 11/12/19 at approximately 2253 hours a unknown male suspect smashed the window of a vehicle located on the 900 block of Geary St. The suspect grabbed a black backpack from the front passenger seat of the vehicle and a black Firestorm 380 caliber (serial #J90687) was located inside which was also taken in the incident. The suspect was described as an unknown race male last seen wearing a gray puffy coat with dark jeans, with a red and black backpack.
